## **Pompeiano Bianco: Sparkling Elegance from Pompeii**

Experience the magic of Pompeiano Bianco, a light sparkling white wine crafted from vineyards nestled under the shadow of Mount Vesuvius, just steps from the ancient ruins of Pompeii. This unique terroir infuses the wine with character and freshness, a true expression of Campania's volcanic soil.

Its straw yellow color with greenish reflections, pleasant aroma, and fresh, dry, harmonious taste, paired with a gentle effervescence, make it a delightful choice.

Perfect Pairings: Enjoy with shellfish, prawns, scampi, and raw seafood, or as a refreshing aperitif. Toast to history and heritage with every sparkling sip of Pompeiano Bianco.
